

The Church of Scotland aims to be a church which seeks to inspire the people of Scotland and beyond with the Good News of Jesus Christ through enthusiastic, worshipping, witnessing, nurturing and serving communities.

***Celebrating progress and encouraging further action: report from the \_\_\_\_\_ committee. Date: \_\_\_\_\_***  
Important: This is not like a school report or an itinerary for a guilt trip. It's intended to help Session see what has recently been done, to allow us to plan and prepare and pray for soon-to-happen events and also allow us to keep our eyes on the bigger picture. A one-side report would be great. Electronic version available at church website.

### **Celebrating progress**

***What events or activities have happened since last Session meeting? Remember that key areas are Worship, Witness (mission), Nurture (learning), Serving and Enthusiasm!***

### **Plans for future action**

***What are you hoping to do before next Session meeting?***

***What are you planning within the next three or so months?***

***What help do you need to do any of this? Having ideas doesn't mean you do all the work!***

***How does this involve other Kirk Session committees, church groups, services?***

### **On the back burner...**

***What further ideas do you want to share about longer-term issues?***

***Are there difficulties you foresee which Session needs to consider?***

***Are there areas where we need to start thinking which we've not yet explored?***
